

# Key Instant Recall facts

## Year 2 – Spring 2

**To count in 5s.**

**To know the multiplication and division facts for the 5 times table.**

By the end of this half term, children should know the following facts. The aim is for them to recall these facts instantly.

<u>Count in 5s</u>			<u>Key vocabulary</u>
5	$0 \times 5 = 0$	$0 \div 5 = 0$	<b>Multiply</b> - Adding equal groups a certain number of times, e.g. $5 \times 4 = 5+5+5+5 = 20$ . Can also be referred to as <b>groups of</b> or <b>lots of</b> .  <b>Divide</b> - Sharing or grouping numbers/objects into equal groups, e.g. $10 \div 5 = 2$ .  What is 5 multiplied by 8? What is 3 lots of 5? What is 25 divided by 5? How many groups of 5 can you make from 10 objects?
10	$1 \times 5 = 5$	$5 \div 5 = 1$	
15	$2 \times 5 = 10$	$10 \div 5 = 2$	
20	$3 \times 5 = 15$	$15 \div 5 = 3$	
25	$4 \times 5 = 20$	$20 \div 5 = 4$	
30	$5 \times 5 = 25$	$25 \div 5 = 5$	
35	$6 \times 5 = 30$	$30 \div 5 = 6$	
40	$7 \times 5 = 35$	$35 \div 5 = 7$	
45	$8 \times 5 = 40$	$40 \div 5 = 8$	
50	$9 \times 5 = 45$	$45 \div 5 = 9$	
55	$10 \times 5 = 50$	$50 \div 5 = 10$	
60	$11 \times 5 = 55$	$55 \div 5 = 11$	
	$12 \times 5 = 60$	$60 \div 5 = 12$	

They should be able to answer these questions in any order, including missing number questions, e.g.  $\bigcirc \times 5 = 40$  or  $\bigcirc \div 5 = 11$ .

### Top Tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day.

5 times table song- Play a 5 times table song in the car when travelling.

Can you beat the calculator? - Ask your child a 5 times table question, see if they can answer it before you type it into a calculator!

How many fingers and toes? - Draw around all of the hands and feet in your household, how many fingers and toes are there altogether?

Skip count - Go outside, use chalk to write the numbers 1-12 in a random order. Jump, skip or hop along the numbers, multiplying each number by 5 as you go.
